

Redeem & Restore CENTER

Chaplain Krista Hull
Founder & Executive Director

Redeem & Restore helps women who have been broken by human trafficking and exploitation to **support the whole person:** physically, mentally, relationally, spiritually, and emotionally.

Our support is their **first real chance** to become the person Christ created them to be.

Our Purpose:

- Be a resource for women survivors of sex trafficking
- Further Christ's message by creating champions
- Raise funds for a future restorative home in the surrounding Waukesha area
- Increase awareness through community education
- Empower women through outreach and a safe place to heal

Redeem & Restore CENTER

What can you do to help? So glad you asked!

Time|Treasure|Talent

Visit our website to see dates, times, and locations: www.redeemandrestore.org

HOPE in the Shape of a HOME

Our main goal is to raise enough funds to purchase a home for women survivors of human exploitation to heal in a safe environment. Homes like this, all across the US, have **helped thousands of women** get off the streets, out of strip clubs, and become the person they were created to be.

The Redeem & Restore Center home will be a **safe place they can heal**. A place they can learn life skills, relationship skills, and work skills. The staff will be professional, trained advocates and facilitators.
