

REALTORS Direct Giver Program

How the Direct Giver Program works:

- The Direct Giver Program serves as a personal donation “checking account” for individual members.
- The Direct Giver Program requires a minimum \$100 contribution.
- The account is established and remains under your name until you spend the balance.
- Staff at GMAR and WRA keep records and make recommendations for political contributions from you, however, you have the final decision on any disbursements from your account.
- Contributions to federal, state and local candidates are distributed on a direct giver check with a letter detailing you as a contributor with your company name and address.
- A check may be sent directly to a candidate or sent to you to personally deliver to the candidate.

Make your contribution several ways:

- A check (payable to “WRA Direct Giver”)
- MasterCard or VISA
- Online at www.wra.org (search for “Direct Giver”)
